

## **DRYWALL FINISHER / TAPER**

Mehrer Drywall is well known for its quality drywall finishing. We are the “SMOOTH WALL SPECIALISTS” in Seattle. We rarely do texture and our typical commercial construction jobs call for a level 4 and level 5 finish.

We employ drywall finishers from the Painters and Allied Trades International Union. Union membership includes full health insurance and retirement benefits. Being a Journeyman Drywall Finisher is not just a job, it is a career with opportunity to work on some of the biggest projects in the Seattle area.

Finisher wages range from apprentice level starting at \$20.17 to Journeyman \$40.34 up to \$43.97 for an elite Foreman! Fringe benefits including health insurance and retirement add an extra \$18.98 per hour to your income. Drug test and proof that you qualify to work in the United States required (Social Security, Passport, Green Card).

### **APPRENTICESHIP PROGRAM (no experience necessary)**

The regional union office runs the Finishing Trades Institute which provides ongoing training and a variety of safety programs. These classes provide you skills for success – all while working at a high wage job. These programs will advance your career and establish you as a professional ready to meet any challenge on the jobsite. The drywall apprenticeship program is 3 years. 144 hours of trade related classroom instruction per year. Earn while you learn!!
